

DCC Family,

I created this calendar to give you a snapshot of the youth events that we have scheduled and the type of events that are scheduled. In an effort to “protect the calendar”, I have tried to be intentional and deliberate in partnering with other events in the hope of “streamlining” the number of events that take place. I did that so that you, as a parent, do not feel overwhelmed by the number of events scheduled and, in the hope, that we can be more intentional and deliberate in our interactions inside the church building and those outside the church building. If we do not fight to protect the calendar and create space for time to recharge and reboot, then more than likely we are being less effective than we could be and should be at home, in our workplaces, here at church services and at our events.

You will notice different font colors on the calendar; each color represents something different (see the Legend below). This calendar covers the entire year.

As a church we are called to be the hands and feet of Christ in our homes, in our church, in our neighborhood/community and to the nations. We do so by focusing on Christ, the Kingdom of God, His glory and His fame. If we keep the main thing the main thing, everything else will fall into place and we will see God move as only He can!!! We find where God is already at work around us and we join Him; we don't have create anything new—just join Him where He is.

If you have any questions about anything, please don't hesitate to ask.

Legend:

Green Font: Note

Red Font: Youth Activity

Black Font: Youth Service Event

Purple Font: Discipleship Event

Blue Font: Holiday

In Christ,

Josh
