**Choose Joy :When Happiness Isn't Enough**

**leader, Kathy Hayes**

**( A Women's Bible Study written by Kay Warren)**

Ever wonder why some people seem to experience joy in their daily lives-even in the tough times- and others can't seem to find it no matter how hard they search? Is a joy-filled life really possible?

The answer is "Yes!" And it is possible for every woman no matter what her circumstances may be. This inspiring study teaches women what joy really is, where to find it, and how to choose it in the good times and the bad- even those who live with the constant companions of discouragement and depression. True joy is deeper, richer, and more accessible than they might think.

**A Rebel's Manifesto: How to Navigate the Christian Life in an Increasingly Hostile**
